**Rationale for Proposed Boundary Changes:** C.W. Harris' attendance zone extends at the northeast to take in the former Shadd boundary; it extends west to relieve pressure at Nalle.

**Proposed Geographic Destination Feeder Schools (Feeder Pathway):** Anyone living in the proposed new boundary for C.W. Harris ES is zoned for and has a right to attend Sousa MS and Anacostia HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Sousa. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

**Proposed Programmatic Destination School (Feeder Pathway):** No programmatic feeder pattern proposed.
